

Bringing together the **best minds** in camping

“On July 4, 2001, when I sat down to write the first line of code to our Staff Recruitment System, I never imagined the impact CampMinder would have on so many lives — and the camp industry as a whole.

At CampMinder, we treasure the relationships we’ve built with our clients and take pride in the success our camps have enjoyed through our combined efforts. We thank all of you who believed in us from the beginning and we always welcome new camps into our family.”

Yates Pharr
Falling Creek Camp
Tuxedo, NC

“CampMinder saves us hundreds of hours in manpower and over \$12,000 each year.”

Julie Stein
Walton’s Grizzly Lodge
Portola, CA

“In our first year with CampMinder our camper early enrollment increased by over 60%.”

Jordan Shiner
Camp Horseshoe
Rhineland, WI

Dan Konigsberg
CampMinder
Boulder, CO

“Dan, Paul and Ryan surprised us with a visit just before camp started. They’re great on the phone, but what a hoot to have them show up at camp in person!”

Jon Deren
Camp Manitou
Oakland, ME

“We chose to work with CampMinder over our own custom database. They’re innovative, honest and bright people who know the ins and outs of summer camp.”

Mark Bernstein
Camp Walden
Diamond Point, NY

“Five years ago we started our camp with only two employees; now we have over 300 enrolled campers. CampMinder makes it easy for 2 people to work like 10.”
